PROJECT FACTS AND FIGURES:

- Planning started in 1965
- Built with funds from Federal & Provincial Governments as a Centennial project
- Opened to the public in 1966
- Building extension 1975
- Renovations in 2014

*Photo to right:
Original building
1966 to 2014*

DESIGN FEATURES:

- Original building was 1,500 square feet
- Extension added to the building of the building in 1975 making it a split level with a basement
- Building made accessible in 2010 from infrastructure funding from the Province, including handicapped washroom and a lift, and relocation and replacement of front entrance
- Renovations to the building completed in 2014 including replacement of HVAC equipment, addition of outside reading garden, addition of new and larger windows, new roof, etc.
- Accessibility features (AODA compliant)

ABOUT THE KLEINBURG LIBRARY:

- Neighbourhood library
- Collection contains approximately 15,000 items
- Program/meeting room in basement with a capacity of 75 people in theatre style seating
- Separate children's area
- Self-checkout for library materials
