Greetings from Michael McKenzie

Chair, Vaughan Public
Library Board

Welcome to
What'sOn
at the Library.

This year has been a busy one for Vaughan Public Libraries (VPL) with new libraries being built and renovations to existing branches. On behalf of the Vaughan Public Library Board I am happy to report that Aquicon Construction Co. Ltd. has been selected to build VPL's third resource library which will be located at the Vaughan City Hall Campus. The Vaughan Public Library Board, Mayor and Members of Council participated in a groundbreaking ceremony for the new library to celebrate the start of the construction phase of the building project. Designed by ZAS Architects, it is anticipated to open in 2015.

Construction is progressing on schedule for Pleasant Ridge Library, the new 8,500 square foot neighbourhood library being built as an addition to the North Thornhill Community Centre. It is expected to open by year-end. Until then VPL continues to offer a 30-minute Family Storytime program at the North Thornhill Community Centre, *see page 8*. Families are invited to take part in this excellent early literacy program.

On the renovation front, Kleinburg Library will be closed

VAUGHAN READS

VPL presents, *Vaughan Reads* each November to celebrate Vaughan's reading culture. Vaughan residents voted for *Flee, Fly, Flown* by Janet Hepburn as their choice to be the 2014 *Vaughan Reads* title—a book we can all read, discuss, and enjoy! Books are available Oct 20-Nov 19 at all branches. Read the book and come to the author visit for a chance to win an iPad mini!

Flee, Fly, Flown

“Lillian and Audrey escaped from the nursing home and began an adventure trip to the west. But their trip doesn't seem to go as smoothly as anticipated, until they meet up with the unsuspecting Rayne, a young man also heading west in hope of reconciling with his family. Humorous and thought-provoking.”

Don't have a library card? If you live, work, own property or are in attendance at an educational institution in the City of Vaughan, you can get a **free** library card. Join VPL in person or online at www.vaughanpl.info—just show identification that has your address, registration or proof of employment in Vaughan on it at time of pickup.

Children can get their own library cards. If they are 13 years old or under, they just need their parent or guardian to sign for their library card.

If you are a member of Aurora Public Library, Richmond Hill Public Library, Markham Public Library, Newmarket Public Library, Caledon Public Library, King Township Public Library, or Brampton Public Library, you may also apply for free membership with Vaughan Public Libraries.

If you don't qualify for **free** membership, you can still join. Please phone 905.653.READ (7323) for details.

Library Services - in person, online or on the phone

All branches have materials for reference and loan. The most comprehensive reference collections are held at Bathurst Clark Resource Library and Pierre Berton Resource Library.

Materials are available in over 16 different languages to meet the needs of our diverse community.

Friendly, helpful staff are always available to assist you in your search for information, to advise on leisure reading, or on materials appropriate to your child's reading abilities.

Telephone service is available during open hours. Qualified staff will answer your information and reference inquiries, check your account on your behalf and provide details about library services and programs.

Most library services are available online. You can join the library, browse the catalogue, check your account, place a hold on items, search databases, download an Audiobook, eBook, video and much more. You can even submit your reference inquiries by email and get an answer within a few hours, 24/7. See page 15 for a complete list of services available. Access library services on your mobile devices at m.vaughanpl.info or download VPL's mobile app from the Apple App Store and Google Play.
