Thank You

Your comments made us feel TOPS!

I love the library and all the community programs that you have for children.

Nice puppet show—Purple Pirate—very entertaining for the kids.

Thank you to the staff for putting great books on display. No matter what book I pick it's always a great read!

I love when you display your "Picks" of DVD and Blu-Ray movies. It really helps and they are always great.

The library has a great selection of French materials.

Storytime is my daughter's favourite time.

Thank you for a great Russian collection.

Staff are very helpful and I'm always greeted with a smile and a cheerful wave.

Love the study hall and the extended hours at my library. It makes my studying a lot more manageable and organized.
